Pattern Alterations For Bodice Fitting

Is bodice fitting your nemesis? Most commercial patterns are drafted for a "B" cup. In this hands-on workshop you will be making samples of numerous bodice pattern alterations. Learn how to add in a dart, move a dart for high or low bust, alter for small bust, raise or lower bust fullness and circumferences for a princess seam. I have taught bodice alteration workshops in the past; here are more techniques to add to your knowledge of pattern alterations and end up with a garment that fits well and flatters your figure. Reference booklet/samples to go home with.

Professional Construction and Couture Finishing Techniques

As a Vogue designer I am always changing and creating new designs along with numerous renditions on my own patterns. Let me show you my first-class techniques from the only male Canadian Vogue pattern designer. See flawless machine buttonholes, along with high end shirt techniques for bias and double yokes and how to tame bulky seams. Learn how interfacing and underlining "breaks" or "makes" a jacket, shirt and pants in proper application for knits, woven and stretch woven fabrics. Become the master of techniques, so that your details set your garments apart.
